Aimee Griffin achieving her Queen Regent award in the Recognition Service May 18th at this service the acteens welcomed the girls coming from G.A.'s to Acteens with a rose.

During the summer we helped Janie Odom with the social for patients with MS our girls came, served lunch, helped them with seating, restroom duties, mixed with them and their families and really enjoying helping these in wheel chairs, showed them around the CLC, and cleaned up afterwards while they had their meeting.

Then in July we had a swimming party at Judith Laws home, inviting these upcoming girls from G.A.s Kyla Griffin, Cara Helping and Adrianne Rhodes came, it was a good enjoyable time for all, 8 that came.

In August our girls went to camp, prayed for and with others, beginning quiet times, and devotionals-most have continued this thru Sept. and some are now taking witnessing classes for Billy Graham Crusade (senior girls) Aug. 27 had a birthday party for Rumbi Annas daughter- International family on Rumbis 4th birthday

September we had a Aloha Welcome party, inviting all the former girls, and new girls in the 6th grade which we are excited about- there are 5 girls coming up and they will be asking friends. We had our former Acteen, now student missionary from Auburn Evelyn Steen come and speak to our girls and encourage them to pray, study and lead other young people in missions, as the lord leads them in school, witnessing and sharing Christ.

We plan to have Wed. 4:30-5:30 as planning day for the programs on Sunday at 4:45 so we will still hold these meeting times in the Parlor.

We're really thankful and pleased that Cheryl Helping and her family are coming before the Foreign Mission board the week of Sept 23-26th, in their steps to becoming missionaries they need our prayers and support.

Also we are thankful for a new leader Mrs. Mary Camp, mother of our 6th grader Carrie Camp. They live in the Killlearn Lakes and can help with transportation from that area for Sunday programs
